The CCG has a duty to promote the NHS Constitution. Please indicate which principles of the NHS Constitution this report supports	
The NHS provides a comprehensive service available to all	√
Access to NHS services is based on clinical need, not an individual's ability to pay	√
The NHS aspires to the highest standards of excellence and professionalism	√
The NHS aspires to put patients at the heart of everything it does	√
The NHS works across organizational boundaries and in partnership with other organisations in the interest of patients, local communities and the wider population	√
The NHS is committed to providing best value for taxpayers' money and the most effective, fair and sustainable use of finite resources	√
The NHS is accountable to the public, communities and patients that it serves.	√

Positive general duties - Equality Act 2010	
The CCG is committed to fulfilling its duty under the Equality Act 2010 and to ensure its commissioned services are non-discriminatory. This report is intended to support delivery of our duty to have a continuing positive impact on equality and diversity The CCG will work with providers, communities of interest and service users to ensure that any issues relating to equality of service within this report have been identified and addressed	
Please indicate if there have been any equality of service issues identified in this report	No
